

4.2.1: Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students

1. Central Library:

Institute is having well-equipped spacious Central Library with all the required facilities. Library is having huge collection of learning resources which includes print, digital and online reading material, etc. Library is automated with required digital facilities. Reading room is available with capacity of more than 150 students with required infrastructure for comfortable reading & study. Wi-Fi connectivity is available in the library. Library uses Dewey decimal classification system. Library is updated as per need of courses offered by the Institute. Daily newspapers are also available in the library along with other resources.

The Central Library has rich collection of Text Book, Reference Books, Handbooks & Competitive Books. The total Collection of Library is as Follows:-

2. Subscriptions to e-resources and journals :

The Institute has an Institutional Membership of National Digital Library of India (NDLI), which provides the online access to various learning resources. Institute motivates staff and students to get membership of National Digital Library. Institute has subscribed. Membership of DELNET which provides access to access to e books, national & international e-journals, e books, etc

E-Resources Membership:-

Sr. No	Particulars	Details of Membership	Provides Service or Access to
1	DELNET	Membership	DELNET provides access.
2	National Digital Library (NDL)	Membership	E-Journals, E-Books Thesis Audio Video Lectures
3	Shodhganga	Open Access	Provides access to Thesis and Dissertation

E-Journals Details:-

5	Applied Science & Mathematics	—	—	—

3. Digital Library:

Institute has is registered as an NPTEL Local chapter to promote online learning. The Central Library has Digital Library equipped with multimedia facility, with more than 10 numbers of computers with internet facility. It can be used to access NPTEL SWAYAM & SWAYAM PRABHA etc. It can also be used to fo access downloaded video lectures, e content developed by faculty members, various online courses, e books CDs, e-journals, previous question papers available on University website, newspapers, etc. Various essential facilities are available in the library like scanner, printer, etc. In addition to above The students and staff may visit SPPU (Sub-Center, Nashik) to access the available e- resources like IEEE, Springer, Science Direct Wiley Blackwell etc., this facility provided by the affiliated University for staff and students
