Subject: Request to conduct a seminar on Aptitude Training.

Respected sir,

As a coordinator, I would like to request for your permission and support to conduct a seminar on Aptitude Training. A need has been identified in the new curriculum, specifically considering a stage of interview and competitive exam point of view for students.

It will be important for all department students to attend the seminar to enhance their skills. In addition, the seminar will ensure that information delivered to students is standardized. The seminar will take place in Auditorium room on 07th Oct 2018. Your consideration will be highly appreciated. I look forward to hearing from you.
